

Annie & Mary Day Craft Vendor Application

WHAT: The Annie & Mary Day committee invites you to join our annual celebration by having a booth in our arts & crafts area. All crafts such as ceramics, leatherworks, painting, sewn & knit items, woodwork and jewelry, as well as the new and different are welcome and encouraged!

WHEN: Annie & Mary Day will be on Sunday July 11th this year. Set-up will begin at 8:30am. Booths should be ready by 11:00am. Booths will be clearly marked on the day of the event with your name on a wooden stake. Deadline for receiving booth registrations will be Thursday, July 8th, 2021.

WHERE: Arts and crafts section will be located at the baseball field that is connected to Perigot Park. This will allow for direct flow of event attendees from the main lawn in front of the stage and the food areas. This will also allow arts & crafts vendors to more easily participate in the festivities and listen to music from the Folklife Festival.

BOOTH SPACE: Each applicant will be provided with a space measuring approximately 10' x 10'. An applicant must provide his or her own tables, chairs, counters or whatever is necessary to display the wares. All vendors must carry their own liability insurance.

HOW MUCH: Each booth (10' x 10') will cost a fee of \$45, payable upon registration. Registration deadline for booth space is Thursday, July 8th.

HELP ADVERTISE: Tell your friends and other arts & crafts people about Annie & Mary Day! We are a small, fun group and one person's friend can be another person's customer.

For more info, contact the Blue Lake Chamber of Commerce at (707) 668-5567.

YES! I would like an Arts & Crafts booth for Annie & Mary Day on Sunday, July 11th, 2021
